## Behavior Guidance/Management Policy

The YMCA's goal is to set guidelines to develop a feeling of self-worth and competence for each child that results in social and emotional growth. The Y has developed a set of expectations that are developmentally appropriate for their group of children. YMCA rules are expected to be followed both in and outside of the Y building and at all times the child is in the program. Our disciplinary steps are based on the understanding of the individual child's needs and stage of development as well as each individual situation. It is our desire to help each child develop self-control, and respect for the rights of others. Please provide staff as much information as possible about your child at the beginning of care and throughout their time in the program to help inform this process.

At no time will any form of corporal punishment or shaming be used. Children are never deprived of food as a form of discipline. The entire group is not punished for the actions of one or a few. Children are not restricted from activities for extended periods of time.
